## RACE 5, V64-1

Auto 2640

2 Balzano da Quattro was tested in the V75 last time, but made two errors. He has good strength and is an early contender in this company. 1 Jacky B. is highly ranked despite tough conditions money-wise. He countered to victory over the current distance two starts ago. 8 Prime M.S. returns after a break. He relies primarily on his strength and performed well in both of his second-place finishes in December. 5 Waitingashell comes from a win over the long distance, where he secured the victory convincingly in the end. He can be a bit up and down, but has potential when he is at his best.

1 Lars Scott has impressed for this trainer (three wins and a second place in four starts). Opens well, won easily last time out. Top chance. 3 Bourbon Brodde is a tough horse who won two in a row in February/March (defeated Lars Scott on March 2nd). An early contender. 2 Jakiro Mearas is a fairly capable trotter who is returning after a long break. Won easily on September 10th. 12 Meryl Streep Boko is making the first start of the year. Won easily on November 8th and held pace nicely to finish second in the race after.

## RACE 7, V64-3

Auto 2140

6 Dajanov has started with two straight wins. He finished to victory in his debut and took over the lead quite early in his last race to win easily. He has a good task here and is the clear favorite. 14 Veams Pumba is a well-bred trotter with good skills. He has won two out of his ten starts and has had a race after a break. 2 Earnest took a fairly cheap win two starts back, held his pace well to finish third last time, and should be in the mix here. 8 Abel Lock has put in some good performances so far. He was unlucky and had energy left two starts back.

4 Henry Palema has shown good capacity, with three wins in twelve attempts. Can open well behind the gate and is our top pick here. 10 Baron Muscles was in the V75 three starts ago, but made an error 250 meters from the finish with energy left. Can finish strongly. 5 Lucky di Quattro is consistent and good, and scored a good second spot two starts back. We rank him fairly high. 8 T.J. is good for this class and wasn't empty at the finish last time out. Can do it tough and faces nice conditions money-wise here.
