12 Juan Sisu scored three easy victories last year and showed good capacity. He made a good seasonal debut last time out and with that race under his belt, he should have a good chance. 15 Önas Quickstep made a mistake in the last circular start. Now, with an auto start and a suitable distance, he should be able to fight for victory if he avoids an error. 3 Nite Owl has three wins in Boden, all three with his trainer, and despite more experienced opponents, he can be in the mix here. 7 Mellby Javier has run two races this year and is on the way up. Should have place chance here.

6 S.K.'s Sjarmtroll has had three starts in Boden with good results. Last year she was second in May and this year she has won two out of two starts. She has a good chance if she trots well. 10 Saga Kiro has won all three of her races over the middle distance and as a mare, she faces quite nice conditions in the race. Early choice without a mistake. 8 Lia Lykke won an elimination heat to the Kriteriestoet last year and has the speed to fight for victory here. 1 Helmin Eldi is on the rise with two races under the belt this year and is possible with this good number.

2 Lavicii Boko won from the lead in the last circular start. He can open well behind the gate and if he takes the lead he will be the horse to beat for the others. 7 Olea Håleryd had some good performances at the end of last year before taking a break. She was solid as second in her seasonal debut and we see her as a strong contender. 4 Jerome di Quattro scored an impressive win in February and had a good chance to come in second last time out before making a mistake close to the finish line. 6 Amie Ness has good speed and with a race under her belt she cannot be ruled out.

6 Marvelous competed in the V75 six times last year and is used to facing good horses. Quite easy opponents this time, and if he reaches the front, we believe he has a good chance. 7 Nikita Sunrise can do better than her recent form suggests. As she has won with driver Ulf Ohlsson before and now has two races under her belt, she should be considered. 10 Torrent d'Inverne has developed nicely in recent seasons and wins often. Should not be overlooked. 4 Just Celebration is capable of better than what he has shown this year, and when he is in form, he is possible here.
