5 Wolt had a great season last year earning over 800,000 SEK. He made a mistake in his seasonal debut but faces a good task tonight. 4 Kalmar showed peaks last year with a couple of wins that command great respect. He has had time to rest and recharge the batteries. He has good speed for this company. 7 Buska Blyg has faced tough competition but has been good a bit behind the winner on several occasions lately. Worth a win soon. 6 Gott Klirr comes from victory and was improved. He fought well in a tough finish.

4 Coral Coger improved with each start as a two-year-old and has started 2023 very promisingly. He won from outside the leader last time out at Solvalla and is our pick. 2 Star Photo scored an nice record last time out, but did not trot perfectly. He is a strong horse that can do it tough. 3 Kilgore got a good trip last time out at Solvalla and performed decently without shining. We expect more from him and he is dangerous to underestimate. 1 Käraste Sisu has been consistent and can get a perfect trip with this number. A contender.

10 Kingslayer Pellini has started well for the new trainer and scored two nice victories. He is headed for a good season and has a good chance now with the trainer back in the sulky. 3 Vincent Cheri shone in the first race for the new trainer last time out. It was an easy win but also very convincing. One of two in the race. 11 Il Capitano Mearas came back nicely after a gallop last time out and the form is very good. Normally reliable. 13 Macho Man disappointed last time out but can do better. He has scored a couple of strong wins.
