10 Gatling has won half of his eight starts, performed well as fourth last time out, and scored a good third spot in the V75 on December 10th. **3 Pingis** is a fairly tough horse and used to hard competition. Maintained a good pace to finish in second place last time out and should be considered early here. **8 Milles Goofy** is a fast starter who is returning after a pause. So far, he has won five out of 24 starts. **9 Daniel Frontline** won narrowly in his first start of the year and finished well to second in his next outing. He has good potential.

5 Jongleur is quite a nice type who started his career with two straight wins. Finished second in a comeback race on April 3rd after finding room late, and looks like a strong contender here. **7 Effective** is a promising trotter who has won three of his seven starts. Despite not having a recent race under his belt, we rate him highly here. **12 Rarely Access** has won five of 20 starts so far. Finished strongly to win at Jägersro on March 14th and had a good spurt last time out as well. **9 Reckless Tile** has a lot of ability and finished second last time out after finding room relatively late. Will probably be in the mix.

5 Donna As was narrowly beaten at the finish line in her last race and finished strongly to second the time before despite a poor start. She's our top pick. **6 Nena Barosso** can open fast and has shown good form recently. Won easily from the lead two starts back and will be in the mix for the win. **2 Vikens Takecool** has performed well without shoes in her last two starts, finishing fast to third last time out. **1 She's a Lady** is still waiting for her first win. Was a bit unlucky last time out but finished the race well. An outsider here.

1 Combat Fighter is a capable four-year-old and better than the latest results show. He got locked in with energy left two starts ago. **7 Lincoln Abe Boko** found the lead in the first turn in the last run and scored a nice victory on Solvalla. He's a strong contender here. **2 Mellby Ivy** had a strong period last autumn. A horse with a good finish and a nice position behind the gate, he should be considered immediately after a layoff. **5 Tasherit** is a tough mare who is used to meet quite strong opponents. She finished nicely to a second place in the V75 on January 14th.
