6 Ultra Violet has won two out of the three races for her new trainer. She is a strong horse who convincingly won in V75 last time out. 2 Queen has a good starting position and has shown good form recently, finishing second and third in her last two races. She was third in the last run and found room late then. 1 Somethingroyal is a talented horse with a nice number, and could win if she performs well. 9 Magical Mile faces nice conditions money-wise in this race and has shown several times that she can finish strongly.

8 Theycallmesixten is good for this class. He has a poor number, but can open well. Challenged for victory and was second in the last run after a layoff. 6 Global Diplomacy won in impressive fashion five races ago and performed well in a Drottningpokalen elimination heat last time out. Early contender. 3 Taxi May mostly kept up the pace in his last race and had previously performed well with three consecutive second-place finishes (including a V75 race). Should be considered. 10 What a Deal has not won in a while, but has the potential and this short distance is a clear advantage. He should not be underestimated.

8 Ramos had started with four consecutive victories before suffering his first loss last time out (due to a gallop in a fight for the lead). He is a strong horse and our pick here. 4 Jakiro Mearas was interfered to an early mistake in the last comeback race, but came back well. Contender. 2 Chimi finished well as a runner-up after a layoff last time out and has only finished worse than third once in five starts. 5 Dante Frontline scored a good second spot two starts back and was fourth despite a mistake in the last run. Should be considered quite early.

5 Global Dictator won two starts back but did not trot well towards the end. Finished well before that and could win again if improved. 2 Ransom Tile is an early contender here. Was third after a strong final lap last time out, showing 12.5/1000. 9 Goop is a capable horse with a good winning percentage and should be considered in this comeback race. Debut for a new trainer too. 12 My Story is True set a new record to finish fourth after a pause last time out and was outstanding four races ago.

7 Phoenix Photo had several impressive performances last year and is a versatile horse. He gets our vote in this season debut. 8 Behind Bars has won 13 of 38 starts and won the last race in the V75 with a narrow margin, after a tough journey. 3 Mr Mah Can is a really good horse, but did not perform well after a gallop last time out. He looked good finishing third in his debut for a new trainer the race before. 6 Mas Capacity is a capable horse with a wide range of skills, but is difficult to predict since he has not raced since July.

10 Mello Dee made a strong finish to take second place in her last race after a trip from far behind. With some luck, she can win this one. 4 Selene Race won from the lead three starts ago. In the following race, she would have won if she had found room earlier. A strong contender here. 6 Apassionata A.F. has plenty of talent. Finished strongly to win directly after a pause in her last race and is a potential winner this time. 9 Edmystica has got a race under her belt after a layoff. Was a sharp second despite a gallop on December 12th, then won easily in her next start.
