

## RACE 1, V4-1

Auto 2640

2 Marlon Boko won in the V75 in October and is our pick here with this nice number after a layoff. He stands this distance and the last time he competed over the long distance he won. 6 Soul Tan was strong when he won for his trainer three starts back. Faces nice conditions money-wise here and should be considered early. 4 Willmer Gel has had a number in the second line or faced a handicap in all starts this year. Is much better drawn this time. 9 The Oak L.A. has won three times over the long distance and should not be overlooked.

8 Helan comes from two straight wins and this starting method suits the horse well. Our pick. 12 Burn Notice has a poor number over this short distance but he faces horses who have earned less money. Is driven by Daniel Wäjersten now. 4 Thirdestrike galloped directly in the last circular start but scored a good fourth spot. Starts behind the gate now and should avoid a mistake then. 2 Forte Å. won over the short distance in a new record in the last race with the circular start.

8 Stålviktor has started this year very well with two wins in a row. Faces similar conditions now with the middle distance and a handicap. Good chance. 9 Fyrkrafs developed well as a four-year-old with three wins and this season he is still undefeated when avoiding a mistake. Has got a break but will be in the mix here. 12 Guli Orkan is good for this class and this driver has earlier won with this horse. Has got a break now but should not be overlooked. 10 Ivarsviking is strong and can do it tough.

4 Vincent Cheri put in a strong debut for this trainer two starts back and was outstanding. Was second behind a good horse in the last run and he is an early contender. 5 Flap Setting has won two out of six starts for this trainer. He was after a nice final lap two starts back and has to be considered. 8 Grappelli won five races behind the gate last year and that starting method suits him well. Has two runs under his belt and should not be overlooked. 9 Nils Zonett is on the way up and had energy left in the last run.
