6 Ackuratess was outstanding in the last start last year. Seasonal debut now and she could be the best directly. She can open fast behind the gate too. 12 Melrose Draviet is the main challenger despite this number. She got locked in with energy left two starts back and scored a very good victory in the lead on April 4. 3 Fossens Wilma will soon score the first victory of the year. Found room late on Färjestad and was not empty there. 11 Udine Celeber showed quite good speed as a three-year-old. Resumes from a winter break and has to be followed here.

7 Kall Tekno should have top chance directly in this seasonal debut. He started nine times last year and was only defeated once. Seemed to have lots of energy left on several occasions when he won. 10 Eldida had to attack widely into the home stretch in the last run but finished well and is on the way up. She is a challenger with the right journey. 12 Ersa Frej has looked quite nice so far and should have a good place with the right trip. 1 Hyndlas Krumelur is consistent and good. Nice number and in the mix here as well.

9 Glen was very good when he won a race over three laps two starts back. Finished well to third on Solvalla in the race too. Good chance here. 6 Alberto Ray did not trot well at the end in the last run. Got locked in behind the leader in the race before and should soon score a victory. 13 Listas Marion is better than the latest results show and uses to meet quite tough opponents. Normally she will defeat many opponents this time. 4 Light on Me put in a strong final lap from far back in the last run. Early choice again if he handles this number four in the circular start.

8 Maximize'em could score a photo finish victory two starts back after a strong finish. Galloped in the last run and the form is a question mark. Has good skills. 6 Spader galloped directly behind the gate in the last run but came back well to finish fourth and showed good form. 9 Mr Ben Bishop has two runs under his belt after a long pause and will soon score a victory again. Should be considered early. 14 For You is consistent and good. Will defeat many opponents with the right journey and she should not be overlooked in this open race.
