3 Soccerbox showed good skills this winter and with the right journey she should have a good chance to finish to victory. Mika Forss this time. 1 Staro Playmate starts for the third time for this trainer and she scored a good win in the lead in the last run. Early choice with this nice number. 8 Grit Brodda fought well when she won the last race of 2022. She was passed with 500 meter to go but countered to victory. Scored a good win in Umea in January too. 10 Amie Ness is possible with the right defensive journey despite this handicap.

3 Galant Ima is the less experienced horses but he has impressed in three starts this year and is our pick. 12 Millie de Veluwe galloped in the last race in Boden but has done well in the last two starts in Finland. If she avoids a mistake she has to be considered. 8 Any Ability has scored the latest three wins in Boden and he showed in the last run that he is on the way up again when he won very easily. 11 Hotspot Simoni has got a tricky number but with some racing luck he should not be overlooked.

6 Global Coldplay finished well to fifth when he set a new record over the short distance behind the gate last year. He won easily in the last run and is our winner here. 1 Barolo Gene has won half of his ten starts and with the right trip from this number one he could finish to victory. 3 M.M.Hot One has scored all wins over the middle distance but he can open fast and this distance should not be a problem. 8 Laurentius Valiant has done well both over the short and the long distance this year. Contender.
