2 Bad Manner has started five times in this discipline. Has scored two wins and three second spots. Jonathan Carre is gifted and they should have a good chance to win this. 3 Xerxes Millpond comes from a good effort under the saddle. Won from outside the leader then and will challenge again. 5 Vicar starts for the first time under the saddle. Has not raced for a couple of months but has to be considered behind the favorite. 8 Double Formula has won the last two starts under the saddle. Tougher opponents now but should not be overlooked with the right journey.

4 Jobspost is an interesting four-year-old. In the last seasonal debut he galloped with 1200 meter go to but came back well. 8 Make it Schermer makes his debut for a new trainer. The horse has good speed for this class and should be considered directly after a break. 11 Figurine de Fer finished well to second two starts back. If she avoids a mistake with this number five she will be in the mix. 14 Battuta Face was a non-starter on April 23rd and the chances are not easy to predict. Tricky number too and possible with the right journey.

Is driven for the first time by Mats Djuse and they should be considered. 11 Väskinge Inez has scored a couple of good second spots lately. She deserves a victory and is possible with the right journey. 13 Pysola did alright in the last run but can do better. Is often second or third but does not win very often. 14 Dream Sensation never had a chance from far back in the last V75-race. Faces nice conditions money-wise here and is our pick. 11 Sweet and Wild will soon score the first win of the year. Was unlucky in the last run and had energy left at the end. 5 Uncle Silvio has started three times for his new trainer this year. Gave up in the lead in the last run but looked nice in the first two races this year and had energy left. 3 Hollywood Trick resumes from a spell. Did not convince on January 31st but can do a lot better.

1 **Huddlestone** faces nice conditions with this number one since he can open fast. Did alright from outside the leader in the last run. Good chance in the lead. 11 **Borups Tornado** is better than the latest results show and is working well after a short break. Could defeat many opponents. 9 **Blumen Indal** got an inside journey in the last run. Found room on the home stretch and finished well. Could get a similar trip here. 4 **Global Bookmaker** makes his seasonal debut. Does not win very often but uses to meet tough opponents.

7 **PolePosition** got locked in with energy left in a Kriteriet elimination heat last year. Has a couple of runs under his belt now and will be interesting to follow this season. 8 **Mateo di Quattro** has shown that he stands the long distance. He is poorly drawn but should be considered early. 1 **Andy Gel** should like this 2640 meter. Has finally got a nice number and is possible behind our winner. 2 **Yavapai Point** found room on the home stretch in the last run and was not empty at the end. Outsider here.

Nice number. **1 King of Greenwood** found the lead with this number one two starts back. Is consistent and good and should be considered early. **4 Carry Cash** was not as good as expected in the last race on Romme. Good for this class. Early choice.

3 Stormyrans Erkki is getting better and better. Won comfortably in the lead in the last run finishing 23/800. Home track here and our pick. **1 Klack Molle** was more heavily backed than our pick when they met in the last run but galloped then fighting for the lead. Will try to reach the front again here. **6 Lundåsens Teknik** did a great race last Saturday and can win again. **12 Guli Fantom** wins often. This 20 meter handicap on a quick summer track is tricky but he has to be considered.

3 Frazze has a good chance if he is as good as two starts back on Klosterskogen. Was not at his best in the last run but is our pick with this nice number. **10 Brasco Brodde** looked nice in the last comeback race. He put in a great effort when he won in the V75 on Romme in April last year. Has to be considered here. **8 Doctor Gio** was a disappointment in the last run even if he had to do it tough at the end. The chances are not easy to predict but he should be followed. **12 The Eagle** is poorly drawn but in case of quick pace he will defeat many opponents here.

9 Jest is our pick in this otherwise open race for fillies and mares. She was poorly drawn in the last elimination heat to Drottningens Pokal. Looked nice in the seasonal debut on April 3th. **2 Cataleya Wise As** fought for the lead in the last run but galloped in the first turn. Is not used to the circular start but Mats Djuse is interesting. **4 Mitzy Gold** is on the way up again. Should handle this number four and will be in the mix then. **1 M.T.Ravishing** has not started since December. Might need this race but this number is interesting. Has good skills.
