4 Hibovalle scored a good win over the long distance in September. He came back well after a mistake in the last seasonal debut and should be considered early here. 1 Ivarsviking won the last race in Skelleftea and put in a good effort. Stands this long distance and should be followed. 3 Klack Pansar has earlier won over the long distance and is possible with this nice number. Has won both races this year together with the trainer and will be driven by him again here. 7 Höstbo Wille is fast enough to be in the mix if he avoids a mistake.

5 Siri Donna has been at least second when avoiding a mistake and is good for this class. Fillies and mares face nice conditions in this race. Good chance to score the fourth victory. 2 Klockar Eva was outstanding in the lead in April and this short distance suits her well. Will be driven by Tomas Pettersson now. 4 Min Lilla Benitah faces nice conditions money-wise here and if she avoids a mistake she could be in the mix. 6 Lome Hilda has won in the lead and is well drawn here.

1 **Kontur** has put in two good efforts in the lead lately. He won in Östersund and comes from a good second spot on Bergsaker. Nice number now. Our pick. 5 **Soul Tan** was very good when he won in Gävle in February and comes from a good second spot after a layoff. He is strong and could be dangerous here. 4 **StinaAlvina Zonett** did alright in the last run after a quick finish. Has one run under her belt now. 10 **Alexi Quick** is on the way up and could defeat many opponents despite this handicap.

Our pick. 6 **Lady Bros** has set two new records this year and had energy left in the last race on Bergsaker fourth up. Has to be followed. 8 **Helena Fagra** has scored two good wins on Bergsaker and Östersund this year together with today's driver in April. Contender. 12 **Timo Jutila** started strongly last season with four wins in a row between March and May. Should not be overlooked if he is at his best.
