

## RACE 1, V4-1

Auto 2140

5 **Mayia Exclusive** dictated the pace in the lead in the last run and won easily. Should be on the way up after a long pause. Our pick. 11 **Swish Brodda** galloped directly in the seasonal debut and the chances are not easy to predict. Is fast enough to be in the mix. 2 **Saffiano** scored two wins as a three-year-old last season and is looking for that form. Is well drawn behind the gate and can open fast. 12 **Global Dame** would prefer quick pace. In that case she will defeated many opponents at the end.

## RACE 2, V4-2

Auto 2640

2 **La Fille de Niky** resumed from a long spell in the last run. Kept up the pace well and 2640 meter should suit her well. Our pick. 6 **I am Timmie** has won two races over the long distance. Can do it tough and should be considered early. 7 **Mahadour** has done well in both starts this year. The four-year-old showed in the last run that he stands this long distance. 12 **Powerbank F.** won despite a short mistake three starts back. In case of quick pace he should be considered early.

2 **Beawinner** is not reliable but when he avoids a mistake - like in the last run - he is good for this class. Nice number and our pick. 5 **Gilmore Trot** resumes from a long pause. Uses to meet quite tough horses and should be considered early directly. 8 **A Sniper** seemed to have energy left when he galloped in the last race on Romme. Is not reliable but is possible here despite this number. 1 **Kalle Taxam** has got a break. Prefers to run in front so this number is the right one. Contender.

6 **Interwall** made it to an E3-final last season as a three-year-old but did not develop as expected. Seems on the way up again now and is our pick. 3 **Vichel J.C.** was close to win in the lead two starts back. This number and this distance suit him well. Contender. 5 **Current Leader** was a bit too fiery after two false starts in the last run. Does not win very often by has good place chance without a mistake. 1 **Aspen Broline** has got a nice number. Has only one victory in 41 starts though. Place chance.
