5 *Invidia* never got a real chance in the last tactical race but should still be in good shape. Likes to run in the front and is well drawn here. Nice task. 4 *Kash Keeper* finished well a bit behind the winner in the last run and has been poorly drawn this season. Good form and better number this time. Early contender. 8 *Crown Wise As* has shown great capacity this season. The driver is in good shape but this number is tricky. Can open fast though. 12 *Atomic Face* had plenty of energy left in the last V75 race after an inside journey. Possible here but needs some racing luck.

Would prefer quick pace. 10 Fetter Tir failed in the seasonal debut but has recharged the batteries. This starting method is an advantage.
