7 Goodwin Zet has started this year with two comfortable wins. Debut over three laps now but he handled 2640 very well in the seasonal debut. Top chance. 10 Maximize'em galloped on the way to a second spot two starts back. Is good enough to fight for victory here. 13 Starstrucked was improved two starts back and finished well. Is not reliable but this distance is an advantage. 2 Valverde is a typical front runner. Won in that position with several lengths on May 5th.

9 Proximity made his seasonal debut in the beginning of April and looked alright. Has got a break again and the form is a question mark. Our pick anyway. 2 Kluster dictated the pace in the lead two starts back and won easily. Is developing well and has got a nice number. 5 Sparky's Dream has not started since October. Showed a high 13-time in the third start as a three-year-old and has good skills. Should be followed. 7 Dino Moko won directly in the debut for Kylin Blom two starts back. Good for this class. Possible with some racing luck.

4 Lakafanten won the last time visiting Gävle. Set a new record in the last run against tough opponents. Nice four-year-old and our pick over these three laps. 8 Tekno Filur won over the long distance in the last run. This longer distance should not be a problem. Early choice without a mistake. 7 Py Bläsen has been more consistent lately - and successful. Two starts back he never found room and had energy left at the end. 1 Önnes Frode is strong and uses to keep up the pace well. Will soon score the first victory.

2 Interwall got a tough journey from outside the leader in the last run and scored a strong second spot. Seems in good shape and is our pick with this nice number. 6 Ceboruco beat easier opponents in the last run but looked nice and this is a nice short-distance runner when at his best. Will go for the lead. 11 Önas Power galloped directly after the start in the seasonal debut. The chances are not easy to predict but his season last year was strong. Will defeat many opponents. 9 Beau LeVallo has had energy left in the last two starts. Outsider.

12 Ubiquarian Face comes from a third spot in a Golden Division heat. The horse is on the way up for the new trainer. Is tough and should have a good chance to finish to victory. 7 Wilda Knight comes from a couple of starts in the V75 and never found room in the last run. Had certainly energy left and with the right journey she will defeat many horses here. 1 High on Life Vixi has shown good form lately. Was close to win in the last run and is well drawn here. 6 Donatello Wibb scored a good second spot after a layoff. Has one run under his belt now. Outsider.

3 Gizellione had got a longer break before the last start. She scored a nice victory though and won easily in the lead. Good number and quick starter. 9 Jaguni has one win and two second spots since she came to the Redén stable. Back row draw but main challenger. 4 Notice'em is also trained by Daniel Redén. She made an early mistake in the last run but before that she won the seasonal debut in the lead. 5 Jeannica could not challenge our pick from outside the leader in the last run. Outsider here.
