1 Excusez Moi made his seasonal debut during the Elitlopp weekend and finished very well. Uses to meet tough horses. Does not always trot perfectly. 4 Jimbaran Zon has looked splendid lately. Will probably get an offensive trip by Lugauer. 3 My Honky Tonk Man met tough opponents last season. Came back well after a mistake two starts back. Did alright in the last run too in a tough race. 5 Mercedes Hall starts for the first time for the new trainer. Has not raced for six months. Can open fast but will probably get a nice defensive journey.

1 Satine Rose is one out of two horses who are a lot better than the rest in this mediocre race. Showed very good speed after an early mistake in the last start. Top chance without a mistake. 3 Ringo Adore makes his comeback after a long break. Showed good skills in his debut. Interesting start here and a contender directly. 6 Cherieff Sund is not reliable at all and a bit tricky. He is quite gifted and should have good place chance. 4 Without Reference scored his only win together with Kihlström and he is the driver today as well. Place chance too.

6 Adriatica has impressed so far. She defeated all opponents in the last start despite a very tough journey. Our pick. 5 Notre Dame Boko is a daughter to Face Time Bourbon and a granddaughter to Muscles Yankee and the expectations are very high. Has started the career well and will be interesting here. 3 Graces Bird comes from a good win in the lead. She was good in her debut too but did not convince two starts back. 2 O.F.V.Fantasy has not been reliable lately but scored a couple of nice wins before that. Outsider.

9 Holger has started the career very well. Has two wins and a second spot in three starts this year. Comes from a very strong win from outside the leader over this distance. 11 Picobello has put in many strong performances even if he has not won yet. Is strong and likes this distance. 3 Descent Kronos has galloped in two straight starts. Is good for this class. 12 Staro Quincy beat easy opponents in the last run but looked very nice. Needs some racing luck with this tough number.

He did not win the last race but finished 10/800 after a trip from outside the leader. 1 Melrose Draviet has started five times in Sweden and shown good skills. Won despite a poor number over the short distance in the last run. 7 Win Together can open very fast. Showed good form to score an easy victory in the last run with energy left. 6 Big Success comes from two straight wins. Tougher opponents this time. Quick starter.

3 Mille has been like a new horse this year. Did not convince last season but now he has scored three impressive victories. Won easily in the last run despite a punctured sulky during nearly the whole race. 7 Chip Shop has met very tough opponents for this class. He has done well in all starts lately and should have a good chance here. 14 Jes Angel is an outsider. He met tough opponents as a young horse and is in good shape now. 8 O.M.Hazebrouck has done well lately and should have good place chance here.
