1 Espanol makes her debut for Daniel Wäjersten. She has not started for a while but is our pick anyway with this nice number. Good capacity. 5 Einar Ruda is consistent and good. Will soon score the first victory and never found room at the end in the last run. Early contender. 4 Conrads Tegnell scored a couple of nice victories this spring. Resumes from a short break but should be considered quite early here. 10 Hagrid won easily in the lead in the last run despite some pressure underway. Should not be overlooked with the right trip.

6 Bäcklös Uriel never found room from behind the leader on Bjerke last Sunday and had energy left at the end. Scored a couple of splendid wins before that. Banker. 7 Pydin was poorly drawn in the last run and ran with shoes. Has been heading for this race after that and is the main challenger despite this poor number. 1 B.W.Sture kept up the pace well on Bjerke and he will certainly get a nice inside journey with this number one. 4 Philip Ess was brave after a tough finish in the last run. Outsider here.

5 Rio Alta Wine galloped directly in the last start. He looked nice in the race before on Bergsaker and won despite a tough journey. Our pick. 3 High Line Pellini makes his debut for Wäjersten. Is gifted and has got a nice number. Won after an early lead on February 14th. Early choice. 4 Gilmore Trot looked nice when he won in the lead finishing at an 11-pace in the seasonal debut. Should be considered here as well. 10 Izor Sisu won with a similar number on May 16th. Could defeat many opponents here in case of quick pace.
