8 Brady D.E. has developed a lot lately and Håkan K Persson is very pleased with him. Good chance to lead this throughout. 4 Primadonna Tile won easily in the lead in the last run and was improved a lot. Will probably find the lead here and give it away. 10 Crono Delleselve finished well behind outstanding Pour Mea Double in the last run. Tricky number here but place chance again. 11 Loyal Cash is gifted but has not been very successful lately. Needs some racing luck here and is possible in case of quick pace.

2 Capitano got a tough journey to the position outside of the leader in the last run and scored a strong second spot. Nice number and good chance. 4 Dubbio Amletico galloped with energy left in the last run with 400 meter to go. Was brave two starts back and scored couple of wins in a row before that. 11 Organzza galloped in the last run but scored a couple of wins in a row before that and showed good skills. Early choice here. 5 Crowning Kronos finished well to second in the last run but could never really challenge for victory. Nice number and early pick here.

5 Dubai Kronos has a good reputation but so far he has not really lived up to that. Will go for the lead here. Good chance in that case. 7 Bold Request comes from a nice win in the lead. Different number this time but early choice again here. Contender. 11 Yuvaraj is tough and uses to meet strong horses. Tricky number but early choice with the right journey. 12 Lucifer Sam has done well without winning lately. Possible in case of quick pace.
