10 Cataleya Wise As showed in the last run that she is good for this class in Sweden. The horse to beat in this mediocre field. 9 Jes Angel finished well to victory in the last run and has shown great form lately. Dangerous with the right trip from the back. 1 Exactement has the right attitude and faces easier opponents again here. Nice number and early contender. 8 Calltosayiloveyou has looked nice for a while and showed good form in the last run. Björn Goop is very interesting here.

5 Take it Easy Tour has shown that he likes to compete under the saddle and has scored a couple of very nice wins lately. Good chance. 8 Southern Mazzarati did well earlier this spring in home country Italy and was never threatened in the lead in the last run. Has to be considered. 6 King Mr Theo has been at least second this year in six races and is very consistent and good. He is possible here too. 3 Matamoros is fast and should get a race in front with this number. He has got a break and the form is a question mark.

11 Perfect Harmony won as a three-year-old and showed great skills. Met very good opponents too before getting a longer break. Nice conditions money-wise. 10 Staro Quantas put in a good effort in the debut for a new trainer two starts back and scored a strong win from outside the leader after that. On the way up. 5 Ninepoints Lady scored a nice victory in the lead in the seasonal debut. Showed good speed in the last run too. Outsider. 6 Chicka came back well after a mistake in the last run. Is possible in this field too.

9 Emir is still in the beginning of his career but he is well bred and has scored two strong wins this year. Can do it tough here. 6 Gizellione never had a real chance in the last run despite a quick finish. She is more strong than fast and this distance is the right one. 3 Mellby Kavat put in a good effort from behind the leader in the last run and set a new record. Could get a nice journey here as well. 5 Urbina Southwind met too good opponents in the last run but seems in good form anyway. Good skills.

6 Need'em scored an outstanding win in the last seasonal debut and this four-year-old is very good for this low class. Chases the front again. Top chance. 11 Mister Jupiter scored many wins as a three-year-old and made it to Kriteriet too where he galloped. Seasonal debut and ready for new victories. 3 King Only the One is strong. The victory in the last run was the best performance for the new trainer. Will color this race. 1 Andy Gel has met strong opponents in the V75 and become tougher. Will get a nice journey.

12 Ready Tonight was very good already in the seasonal debut. Finished fast but came too late. Comes from a splendid victory after an early lead. 8 Nuzzle'em showed good skills as a three-year-old but has failed so far this season. Debut for a new trainer here and could be improved. 3 Longgone River was also successful as a three-year-old but has not convinced lately. Can do better. 9 Red Hot Roadster competed well this winter but has got a break after that. The form is a question mark now.
