3 Fairplay has not raced since the middle of May. He has not won yet this year but is our pick with this nice number. Has good skills. 1 Lover Brodde is better than shown in the last two starts. Is better drawn now and he should be considered early. 11 Dioniso Degli Dei has won five out of ten races. Made his debut for a new trainer in the last run. Will defeat many opponents in case of quick pace. 8 Cheops beat easier opponents in the last run but he is possible here as well.

5 Romero finished well a bit behind the winner in the last V75-race. Faces quite nice conditions here and is our pick. 11 Ture L.A. won directly after a longer pause in the last run. Got a nice defensive journey then and will finish fast again here with a similar trip. 9 Gerben comes from two nice performances. Would prefer quick pace here. Has to be considered. 1 Love Håleryd has not won for a long while and resumes from a spell. Nice number and outsider with the right trip.

2 Laban Lagö is our winner with this nice number. He has had tricky numbers lately and done well. Good chance to score the second win of the year here. 9 Moses Boko is the main challenger. He is consistent and good. Needs some racing luck with this number in the second line and will be in the mix then. 5 M.T.Sanches is a quick starter and likes the short distance. He should not be overlooked this time. 6 Last Joke looked nice when he won two starts back. Competed in the V75 this spring.
