RACE 1 — Auto 2100

Ridden race where **5 Hot Stone** is our pick. He has put in several nice efforts under the saddle lately and deserves a victory here. **1 Moonrise** did not impress in the last sulky race. Finished well under the saddle to a second spot before that and is well drawn here. **6 Sweet Caroline E.P.** is interesting in this start for a new trainer. She has earlier won under the saddle and should be considered early here. **10 Emotion U.M.** had not raced for more than a month in the last run and needed that one. Should not be overlooked here.

8 Fyri faces perfect conditions money-wise and comes from a convincing victory. Got a tough start then before finding the lead after 600 meter. Good chance with the right trip. **9 M.L.'s Odin** is a quick starter and this number is poor. Is in good shape and should be considered early here. **3 Aasvind** has got locked in with energy left in the last two races. Will soon score the first win of the season. **2 Ask Leo** is a bit up an down but when he lives up to his capacity he is fast enough to be in the mix.

Parked outside of the leader with 1300 meter to go in the last run and was brave. Good place chance. **5 Fenomen A.F.** has to be followed in this first start for trainer Bo Westergaard. Has shown good speed. **7 Formula Photo** was second to our favorite in the last run. Could be in the mix here as well.

9 Gucci Line uses to be in the mix. Got locked in with lots of energy left three starts back and has done well after that too. Our pick but needs some racing luck. **12 Limerence** convinced in the lead in the last debut for a new trainer. Different number now but he will defeat many opponents here. **5 Epicure** fought well from outside the leader in the last run. Will fight for victory here as well. **6 Wishful Order** won the last run and showed good form. Possible with the right journey.

5 **Fashiononthehill** won last Monday and chases the sixth win in a row here. Has earlier won over the long distance and is our pick. 3 **Jaguni** was not at her best in the last run. Debut over the long distance and she prefers to be in front. Has to be considered. 2 **Garrido D.K.** was defeated for the first time in the last run but put in a good effort anyway. He will certainly stand this long distance. 9 **Blue Spirit** is in great shape. Needs some racing luck with this handicap and will fight for victory here as well then.

9 **Tangen Bork** would have had top chance with a better number but now he needs some racing luck. Has scored four out of five wins this year in the lead. He has certainly the best speed in this company. 4 **Grisle Odin G.L.** parked early outside of the leader in the last run and was second to Tangen Bork then. Could take revenge here. 2 **Troll Solen** competed in the same race as our top duo and got locked in with energy left. Has to be considered. 5 **Ådne Odin** wins often but faces tougher opponents this time.

3 Zeudi Amg is very speedy when she is at her best. She was only seventh in the last run but was poorly drawn then and put in a good effort anyway. Nice circumstances here. **10 Faeza Zet** was second in the seasonal debut but has scored three convincing wins in a row after that. Back row draw now but should be considered anyway. **5 Miss Pepper** was allowed to dictate the pace in the lead in the last run and won easily. Good place chance here. **9 Gabi Kyvsgård** finished well to second from far back. In the mix again.

1 N.Y. Moet found the lead with this number one in the elimination heat to this final. Good chance to reach the front again and our winner in that case. **3 Bunny** was second to our pick in the heat and put in a very strong performance. Had number eight then and got a trip from far back. Much better draw this time. **2 Dionne** won the heat in the lead. She could find it hard to reach the front now but will be in the mix anyway here. **5 L.A.'s Venus** finished well to third in the heat. She can certainly open faster than she showed then.

RACE 9, V75-5   Auto 2100

7 Grumbazz Kini has put in several convincing efforts lately. Had the same number in the last run but could win anyway after a strong finish. Good chance. **9 Dragons Bar** was not at his best in the last run and made an early mistake. Normally she will fight for victory. **1 Tipsy Bartender** finished well in the last Solvalla race. Has been a non-starter after the last run and this number is tricky. Possible if he finds room in time. **12 Thai Swagger** is in great shape but was poorly drawn. In case of quick pace he is possible here.

6 B.A. Superhero faces nice conditions again here. Found an early lead in the last run, disappeared on the far stretch and won easily. Top chance. **1 L.L.Royal** finished well from far back in the last V75-final. Won comfortably in the lead before that and should be considered early here. **9 Falcon Eye** got locked in with energy left in the last V75-race on Kalmar. Tricky number again but early choice if he finds room in time. **5 I.D. Exceptional** has been consistent and good lately. Can open fast and should get a nice journey.

9 Mister Hercules was splendid when he won on Gävle on May 20th and made it to the Elitloppet. There he galloped though and he got a short break after that. Our winner despite this number. 3 Usain Töll needed the last race on Kalmar. This 2100 meter is probably an advantage. He can open very fast. 4 Hades de Vandel comes from victory in Oslo Grand Prix after a trip from second on the outside. Dangerous again with a similar journey. 1 Emoji seems in great shape and has to be followed too.

1 Micah B.R. faces nice conditions here. Did not convince two starts back but has otherwise put in several nice performances. Good number. 2 Via Castromurro faces perfect conditions money-wise and is in fine form. He is an early challenger for the victory with the right journey. 4 Yasmine Ravina is really good every now and then. Two starts back she was a bit fiery from behind the lead. Outsider now. 6 Black River Winni is a bit up and down. One out of many outsiders if he is at his best here.
