9 Mellby Lurk started the career in April with two straight wins. Got a tough journey from outside the leader during the final lap in the last run and was very good. Good chance directly after a layoff. 10 Galax Brick is the main challenger. He scored a good win in the debut in February. He has got a longer break after that too. 7 Victor Southwind finished fast after an early mistake two starts back. Needs some racing luck with this number and could score the first victory in that case. 8 Önas Spartacus is an outsider with the right journey.

11 Livingstone is in good shape and our pick here despite this tricky number in the second line. 4 Dooley's U.N.G. finished to a photo finish victory three starts back. Is well drawn behind the gate and should be considered early in this company. 10 Handle with Care scored a sensational win in the last run but put in a good effort and had energy left at the end. Has to be considered again. 1 Go All Night will get a nice journey with this number and could fight for a place again.

8 Speedy Cash Vicane is still waiting for the first win of the year and that could happen today. Got a tough final 700 meter from far back in the last run and was quite brave. Faces easy opponents here. 6 You to Updated has not won yet either this season. Finished well when he found room two starts back and should be considered early here. 12 McGarret has been competing a lot under the saddle this year. Is consistent and good and handles the sulky as well. Should defeat many opponents. 11 Amerindienne is trained by Stefan P Pettersson and still going strong. Does not win that often nowadays but could be an outsider here.

Ridden race. 1 Keep on running was third in the last race but not at his best anyway. Got a short break after that and should have a good chance to win this. 8 Liza Bore finished strongly from third on the outside in the last race. She does not win very often but will defeat many opponents here. 11 Aperitif ran in the front two starts back. Fought well but got defeated at the end. He likes this discipline and has to be considered early. 10 M.T. Penelope was second in the debut under the saddle on May 18th. Is ridden by Sofia Adolfsson this time.
