RACE 4, V64-1

Elimination heat of Derbystoet. 2 **Siri Donna** is ideally drawn behind the gate and will be hard to beat here. She has scored two nice wins after a layoff. Top chance. 11 **Sonja Kiro** would have been in the mix without a mistake with 650 meter to go two starts back. Poor number but she can do it tough. 7 **Åse Mona** is better than the latest results show. Could make it to the final with the right journey. 6 **Kattelbo Kajsa** scored a sensational win in the Sleipner-final for fillies three starts back. Has galloped after that. Would prefer quick pace.

RACE 5, V64-2

Auto 2140

Elimination heat to the Derby. 9 Björs Balder is in great shape and he comes from two wins the same evening on Skelleftea. Good chance despite this back row draw. 2 Brolin won Kriteriet last year and would normally have been our pick. But he has not convinced so far this year. 5 Lill Modde won the last run and was improved a lot. Could fight for a place in the final here but needs some racing luck. 8 Voje Dino came back strongly after a longer break in the last run. Poor number but should not be overlooked.

RACE 6, V64-3

Auto 2140

Elimination heat to Derbystoet. 6 Vega N.O. was allowed to dictate the pace in the lead in the last run. Won comfortably after that finishing 23/800. Good chance to score the fourth win in a row. 4 Suså Ö.K. scored a very good second spot behind our pick in the last run. Is on the way up and will challenge again. 5 Pave Faksa T.M. has not convinced lately and the form is a question mark. Showed last year that she is fast enough to match the best horses of her year. 11 Christina K. has been on the way up this year. Outsider in case of quick pace.

RACE 7, V64-4

Auto 2140

Elimination heat of the Derby. 5 Juni Blixt is in good shape and developing very well. Won comfortably after a 22.5-finish in the last run and is our pick. 3 Bore Mikkel has won twelve out of 16 starts. Galloped twice in the last race on Bollnäs and was not at his best. Early choice. 6 Envis set a new record in the last run and he should not be overlooked this time. 10 Lakafanten set a new track record when he won on Gävle two starts back and looked nice. Outsider here.

RACE 8, V64-5

Auto 2140

10 Kluster got a nice start in the last run despite a back row draw. Found the lead and won easily. Will find it hard to repeat that perfect start here but he can win this with other type of journeys as well. 2 Credityuan galloped directly in the last start in Lycksele. Has not had any continuity this year but is gified. 13 El Cazador has won seven out of 15 starts. Could take over the lead with one lap to go in the last run and has to be considered. 9 Einar Ruda is consistent and good but has not won yet. Good place chance again.

Elimination heat to Derbystoet. **10 Nelson Helen** has done well in all four starts this year. Parked outside of the leader in the last run and was brave. Our pick. **11 Lannem Stella** is still waiting for the first victory of this year. Won seven out of eight races last season and was improved in the last run. Early choice if she shows the right attitude. **7 Rina C.K.** got locked in from behind the leader with energy left two starts back. Finished well to fifth after that and has to be considered here. **9 Lia Lykke** is often in the mix. With the right defensive journey she could make it to the final.
