Volt 2140

7 Sonesta is our pick with this number. She showed a high 1.16-time in her qualifier one month ago. 3 Earth Kronos galloped in the qualifier but seems to own good strength. If she avoids a mistake she has to be considered directly. 9 First Things First is trained by Reijo Liljendahl and he uses to have his horses well prepared. Contender. 8 Luna Unica could get a nice trip on the inside and should be followed in the warming-up, just like all horses in this race.

5 Aniara Sock is our winner. She scored a nice win in the lead two starts back and could find an early lead again here. She will not be easy to defeat there. 3 Adventure Ahead makes his debut for a new trainer. He might need this race but is well drawn and should be considered. 9 Wilson Laylock did not convince in the last run but can do a lot better than that. This number suits him well. 2 Uberty Face has not convinced lately and the form is a question mark. Is good for this class. Nice number.

1 Jiggi scored a good second spot in a heat to Stosprintern but was clearly beaten in the final. Can open fast and in the lead she is the horse to beat. 7 Nunja is a nice horse. She dictated the pace in the lead in the last run and won easily at the end. Early choice with the right journey. 2 Hvenhilda Quick galloped unexpectedly in the last run. That was probably just an accident and she should not be overlooked. 9 Gelato Pellini comes from a heat to Stochampionatet. Could get a nice defensive trip here.

2 Kyrie Eleison avoided a mistake in the last run and put in a strong final lap from far back to victory. He is not reliable but without a mistake he has a good chance. 4 De Gaulle Grif galloped in the last run but this is an interesting four-year-old trained by Gocciadoro. Should be considered early. 9 Cassiel Font took over the lead after 600 meter in the last run and won easily at the end. Could defeat many opponents again but needs some racing luck. 8 Oh Ah Kennedy resumes from a short break. Is poorly drawn and is mainly an outsider here.

6 Flying Colors got quite a tough journey in the last run and gave up at the end. Could find the lead here and dictate the pace. Good chance in that case and our pick in this open race. 1 Donnafugata Font is not used to the Swedish circular start but this short distance should suit her well. Early contender. 5 Waco Sixx won easily two starts back. This number five is tricky but if he handles it he should be considered early. 12 Kentucky Derby deserves a victory soon. Will defeat many opponents here but needs some racing luck.

Is well drawn here and the main challenger. 1 Holger Danske comes from Denmark and wins often. Was close to win in the last race on Aarhus too and should be considered early here. 14 Nyras Lars R. was not at his best in the last run. 6 Doctor Gio has put in a couple of strong performances in the last three starts without winning. Is in good shape and our pick here. 4 Longgone River made an early mistake on Solänget. Scored a strong second spot in the lead before that and is well drawn behind the gate now. 11 Farfars Dream is strong and can do it tough. In case of quick pace he will defeat many opponents despite this number in the second line. 7 Capovento Pax finished fast to victory in the last run. He should be considered early here as well.

He is the main challenger. 8 Eclipse As is good enough to challenge but this number is very poor. Comes from a strong second spot. 7 Conrads Palle has done alright lately without winning. Place chance but needs some racing luck.

4 Jewilla got a tough final 750 meter in an elimination heat to Stochampionatet and was brave. If she avoids a mistake now she will be dangerous. 9 Ninepoints Birdie had to run outside of the leader in a heat to Stochampionatet and was brave. Could take revenge here. 5 Sparven is better than the latest results show. This distance suits her better than the one in the heat.

1 Joviality won very easily in the last elimination heat to Stochampionatet and she is an international top horse. We think she will find the lead and win again here. 4 Queen Belina ended last season with victory in a Breeders Crown-final for three-year-old fillies. She is the main challenger to the big favorite. 5 Aurelia Express got locked in with energy left in the seasonal debut on June 24th and after that she won a heat to this final. Should be on the way up. Early choice. 9 Jennifer Sisu could get a nice journey from behind the favorite here and has good speed then.

5 Joanna Sisu is our pick in this very open race where many mares are not used to this long distance. The horse has been improved a lot in the last two starts and should handle this 2640 meter well. 7 Stellas Bellezza should be considered early in this debut for Uhrberg. Might need this race after a long pause but this number is interesting. 10 Starstrucked is strong and likes this distance but she is not reliable. Early choice if she avoids a mistake. 6 For Real is only three years old and makes her debut over 2640 meter. Should be considered quite early anyway here.
