6 Vinci Nice got defeated in the front in the last run but has good skills. Can open fast and could find the lead again. Our pick in this open race. 5 Yuvaraj gave up at the end in the last run but had put in several good efforts before that. Is strong and can do it tough. Early choice. 7 Sweetman has met tough opponents and faces easier horses now. Prefers to run in the front and is possible in that position here. 2 Gasolin has been matched against tough horses lately. Is ideally drawn here and should be considered early.

9 Wingait Birgitta has put in nice efforts lately and was outstanding in the lead in the last run and looked really nice. Our pick. 6 Pure Cartier has not won yet but was very brave in the last run. Will go for the front again and is possible there. 12 Sahara Silvio has shown good skills and is one of the better horses in this field. Has been a non-starter but should be considered. 10 Farina is not reliable but owns good capacity. Could cause an upset with the right journey.

1 Klondyke River has six wins in 14 starts and is good for this class. Needs some racing luck with this number one and is the horse to beat then. 3 Pharagraf finished fast in the last run and seems to be in great shape. Perfect number now and the main challenger. 9 Suddenly Spring scored a splendid win in the lead two starts back. Back row draw now but should be followed. 12 Oliver de Bos comes from a very convincing victory. Poor number but is possible anyway.
