4 Tom's Got Drive seems to have great skills and has started very well. Nice number here and our pick. 6 Gingras has won two out of the last three starts and is in great form. Will fight for victory again. 13 Cash Back Bi makes his debut in Sweden and the chances are not easy to predict. Has done well in Italy though and should be considered. 15 Portofino has galloped twice in a row but won in the V75 three starts back. Early choice despite this poor number.

2 Observe'em seems very talented. Was defeated for the first time in the last run but got a tough journey. Perfect number here and our pick. 3 Eli Jet is very speedy and has put in a couple of strong efforts. Can do it tough and is an early challenger here. 1 Kuiper finished fast and was close to win in the last run. Has started his career well and has to be considered here too. 4 Conrads Tegnell is also promising. Tougher opponents now but should not be overlooked.

1 *Illfindmywayhome* has not win yet this year but is good for this class. If he handles this number he should have a good chance to win this. 3 *Twigs Honor* uses to compete in the V75 and faces easier opponents now. Is ideally drawn and will challenge for victory. 4 *Ninepoints Candy* finished fast in the last run and is a quick starter too. Does not win very often but is possible here. 5 *Master of Zon* faces quite tough conditions money-wise but is in good shape. Early choice behind the favorites.
