10 Last Dying Breath comes from a good second spot even if he got defeated at the end. He has scored the latest two wins over the short distance. Our pick. 5 Mizai has met Felicia Zet in the last three starts and she has won every time. Better task now and he faces only horses who have earned less money. Early choice. 8 Somebody's Destiny was not successful this spring but is back in good shape again and won in Skelleftea in July. 9 Durello should be improved by the last run under his belt.

4 Tekno Filur competed in the Cold Blood Derby and met top horses and got to know higher speeds too. He is developing well and faces nice conditions here. 10 Maesteraemon was second to Esprit Sisu in the last run and improved. With a similar effort he will fight for victory here. 9 Per Jo uses to open fast and with the right journey he should not be overlooked. Has scored all wins together with Robert Skoglund. 5 Tåga Storm has good and bad qualities but if he avoids a mistake he will be in the mix.

9 Ängsthea was third in Kriteriestoet on Dannero and fourth in Derbystoet on Bjerke and has come back well this season and showed good form during the summer. Could pass all opponents here. 3 Ragnhild W.M. comes from a good second spot and has got a 20 meter advantage now towards two of his main rivals from Arjäng. 10 Hulte Annika has done well lately. Won two starts back and had plenty of energy left in the last run. 13 Alfa Lina has been on the way up. She won from outside the leader in July and won easily in the last run.
