2 Chimi was not at his best in the last run and has got a longer break. Won in a 1.13.5-time over this distance in May. Our pick. 1 Luan Amor V.S. did alright in the lead in the last run on Axevalla. Should be considered early in this company. 4 Jameson K.W. starts for the first time over the short distance. Has not competed since May but should be followed here. 11 Gourmet Brodde could defeat many opponents here in case of quick pace. Outsider here.

10 Wingait Birgitta was outstanding in the lead two starts back and won easily. Nice horse and our pick in this race for three-year-old fillies. 2 Runway Threshold scored her first win in the last run. Got a tough journey from outside the leader then and is well drawn here. Early choice. 1 Henessi Bordeaux is a Norwegian guest who is developing well. She should be considered early with this nice number. 9 Phenomene Zon won the debut after a nice defensive journey two starts back. Could get a similar journey here and should not be overlooked.

1 Aniara Sock comes from an outstanding win on Axevalla and convinced a lot. Will certainly get an offensive trip and should have top chance to score a new victory with Jepson. 10 Javeline was strong from far back in the last run. Back row draw again but with the right journey she will challenge for victory again. 2 Mister A. has scored the latest two wins in the lead. He did not trot well in the last run and galloped in the final turn. Possible here. 4 Toruk Makto had to open fast in the last run and did alright in the last run. Should be considered behind the favorite.

14 Present Tile is our pick despite this double handicap. He had to attack from far back with 650 meter to go in the last run and finished well. He stands this distance with the right journey. 7 R.K.Star has been racing in the V75 lately. Has not impressed but likes this long distance and faces easier opponents now. 11 Deon W. has eleven wins in 30 starts and that is impressive. Did alright from outside the leader in the last run. 5 Mael showed good form against easier opponents in the last run. Is possible here too.
