

RACE 1, V4-1

Auto 2140

3 Cali Lancelot has been very tricky and galloped a lot. Has been improved a lot for the new trainer and comes from two convincing wins. Top chance without a mistake. 7 Guldhagens Måna is also gifted when she avoids a mistake. Fought well in a tough fight on the home stretch in the last run. 9 IIs Can has been injured a lot. Came back well in the last run and has good speed for this low class. Should be followed. 6 Slotts Viktor needed the last race after a longer break. Is fast and an outsider here.

4 Pennywise was interfered to a mistake from outside the leader two starts back but came back well and would have won without that error. Finished well in the last run and deserves a victory. 12 Quando put in his best effort in the last race in Sweden. He attacked early and kept up the pace very well. Owns good strength. 6 Ilie de Touchyvon has been a bit slow but has good strength too for this distance. Scored the first victory in the last run and won in the lead. 7 Titan Journey makes his comeback here and the chances are not easy to predict. He finished fast in the qualifier.

3 Impressive Sisu scored a splendid victory two starts back and despite fast pace she won ahead of a gifted horse like It's Peppertime. 4 Arvid Tilly got a tough journey but finished well. Scored a strong victory before that and is in great shape. 10 Optimum Bankrobber was also tough in the last run and after an early attack outside of the leader he won comfortably. On the way up. 11 Current Leader finished strongly the last 700 meter in the last run and beat the leader shortly before the finish. Looks nice.

4 Daven Port has not won for the new trainer yet but the form is on the way up and in the last run he did well and set a fast time against good V75-horses. 6 Barry Wadd uses to be matched in tough V75-races too and faces easier opponents now. Finished fast to a second spot in the last run. 5 Alert Kronos prefers to run in the front but is at his best over the short distance too. Nice number. 7 Dozen of Oysters earned a lot of money as a young horse. Galloped in the last comeback race but got one run under his belt now.
