3 Heartbeat Julie won comfortably after a strong finish two starts back. Showed good form to finish second and is well drawn now. Our pick. 11 Global Billboard got locked in with energy left in the last V86-race. Scored an outstanding win before that and will defeat many opponents here. 2 Ballerina Indika is still waiting for the first win of the year. Scored five wins in eleven starts last year and has good skills. Early choice behind the top duo. 5 Himalaya Sisu finished well to second in the V75 two starts back. Should not be overlooked here.

2 Herakles Zet has done well in all starts so far without winning. Good chance if he handles this number two. 3 Josh Jaam has not won yet either. Has shown quite good speed for this class though and should be considered early. 10 Perseus Digital starts for the first time since March. Is strong and can do it tough. He should be considered early. 8 Uncle Sigge makes his comeback after a long break and the chances are not easy to predict. Showed good speed last year.

9 Ohh Tooma makes his first start for Daniel Reden. He uses to be very successful with his new horses. Back row draw here but good chance with the right journey. 4 Chimi has got a better number and will challenge our pick. Finished strongly the last 800 meter from far back in the last run after a short break. 11 Bys Rosy Nunc is better than the latest results show. In case of quick pace she could defeat many opponents. 1 Sharp Looking comes from the first win every in the 40th start. Nice number for a defensive trip here.

2 Chic is a bit up and down but in the last run she got locked in with energy left. Our pick. 1 Happy Go Pepper is consistent and good. Has not won yet this year but could do so here with the right journey. 8 Denali Doc is poorly drawn behind the gate but she is good for this class and should not be overlooked despite this number eight. 7 Diva Ravina never found room in the last run and had energy left at the end. One out of many outsiders in this race.

9 Bear Hope parked outside of the leader in the middle of the last race and won comfortably. This number is tricky over this short distance but he faces nice conditions money-wise and uses to meet tougher opponents. 4 Finn Palema did not trot well in the last run and has been a non-starter after that. Is fast enough to challenge. 7 Alone resumes from a longer break. Is good enough to be in the mix directly with the right trip. 3 So Far Away Ås faces nice conditions with this number over the short distance. Should not be overlooked.

5 Estreet Simoni has not raced for almost a year. Faces nice conditions in this race and is good enough to win this. Good chance but might need this race. 3 Barateau set a new record in the last run over the short distance. Longer distance now but nice number and he should be considered early here. 7 Global Ufo was not at his best in the last V75-race. Owns good strength and he could defeat many opponents here. 4 Mael finished well in between horses in the last run and is in good shape. He is possible here but needs some racing luck.
