Swedish Championships for cold-blood-horses. 4 Bäcklös Uriel has made it to the elite this year and impressed a lot. He has nine wins this season and is getting better and better. 1 Månlykke A.M. is not as outstanding as he used to be. Has two second spots at the end after a layoff and is on the way up. Interesting if he could reach the front here. 5 Järvsöodin won in the lead in the last run and beat Månlykke A.M. then. Is all-round for the distance. 3 B.W.Rune is tough and better than the latest results show. Outsider.

This distance is the right one. 12 Kendall Jackson has looked better and better lately and comes from a well deserved victory. Early contender despite this poor number. 6 Because the Night has not been at his best for a long while but was improved in the last run and should get a trip in front today. 8 Gatling was brave from outside the leader in the last V75-race.
