8 Load Master has been improved for new trainer Daniel Wäjersten and looked nice in the last race on Solvalla but got locked in. Great form. 5 Bourne Dominion is very good when he trots well. Was improved in the last run and without a mistake he will challenge the favorite. 6 Magic Nightrider has shown that he can match V75-opponents. Has the right attitude and faces easier horses here. 1 Solkattens Chiron showed good form in the last run and scored a convincing victory. Interesting number.

4 Björlifanner is tough and on the way up. Comes from a tough performance from outside the leader. Easier opponents today. 5 Alfa Lina has scored a couple of nice wins this summer and she faces nice conditions in this race. This driver is an advantage. 11 Kavaleren has been a disappointment this summer and the pace has been a bit high for him. The autumn suits him better. Possible here. 6 Ängsbrage is very fast and when he is at his best he is good for this class. Outsider.

5 Edsinette is good for this class and scored a nice win in the last comeback race. Is even better now and could reach the front again. 9 Gizelliore had galloped a lot and needed to run a qualifier. Avoided a mistake in the last run and looked nice behind the leader but got locked in. On the way up. 6 Polly Laday comes from a tactical victory in the lead. Prefers to run in the front and is in good shape. 7 Elysia has been really good in a couple of races for Oskar Kylin Blom. On the way up again and should not be overlooked. Outsider.
