6 Axel Ruda has been very successful this season and is close to have earned one million SEK in 2023. He finished very fast to victory in the last run and is in great shape. 1 Hector Sisu has been improved and scored two wins in a row after a tough journey from outside the leader. Challenger. 5 Even's Cool Boy beat easy opponents two starts back. Looked nice in the last run but got locked in. Is up and down but has been improved again. 7 Rome Pays Off has been a disappointment. Has earned more than five million SEK though and is good for this class. Outsider.

7 **Free to Ask** uses to meet tougher opponents and has scored three strong wins earlier this summer. Likes to run in the front and will get an offensive trip. 6 **Nemesia Boko** has also been matched against tough horses and she was brave from outside the leader in the last run. Has good strength. 4 **Runway Threshold** has met tough horses but scored a strong victory two starts back. He will be interesting to follow for the new trainer. 10 **Tactical Lady U.S.** has been matched against easy opponents but scored four good wins.

7 **Dorothea Mil** won four races as a three-year-old and had a great reputation. Has failed this season but won directly for her new trainer in the last run and is on the way up again. 9 **Icegirl L.A.** scored a sensational win in the V75 in June but has done well after that too against tough opponents. Early contender. 6 **Crazy J.Lo** has been improved and scored two good wins lately. Got an impossible journey in the last run. 13 **Florence Ima** was unlucky in the last run but finished fast a bit behind the winner and is in good shape. Should not be underestimated.
