2 O.P.'s **Flawless** is up and down but really good every now and then. Likes to meet easier opponents and prefers to run in front. Nice circumstances here. 5 **Magic Nightrider** has shown that he can match V75-opponents and is better than the latest results show. Early contender. 8 **Father Simon** has shown good form lately and opened fast to the lead and victory two starts back. Could reach a nice position in front despite this poor number. 1 **Mellby Java** prefers the short distance too and should get a nice trip with this number one.

9 **Bellfaks** has met tough opponents this year and faces much easier horses this time. The horse to beat. 7 **Storspjøver** has not had the speed this summer and prefers the lower pace in the autumn. Comes from a very good effort and a record. 10 **Våler Nikolai** got one run under his belt for the new trainer in the last run. He has not been at his best for a while but might be on the way up now. Good horse. 3 **Ivarsviking** was strong this spring but the form is a question mark now. Nice number.

5 Head Run scored the latest win in the lead and could reach the front again here. He has two runs under his belt now after a layoff. 1 Accolade finished very well after a trip from far back in the last run. Is on the way up and this number is interesting. 2 Boke Palema is more strong than fast but has been improved since moving to the northern part of Sweden. Comes from a strong effort. 4 Somebody's Destiny finished well a bit behind the winner in the last run and is better than the latest results show. Prefers quick pace.

8 Järvsö Jop galloped still fighting for victory in the last run and was too stressed in that short distance race. Better circumstances now and hard to beat. 2 Deviljas Kloker has been improved and comes from a good second spot in the lead. If the favorite fails. 4 Uberg Amor was improved in the last run after a layoff. Has one run under his belt now and is on the way up again. Good for this class. 6 Kajsa has scored a couple of tough wins but earned a lot of money in a short while too. Better opponents today but she can do it tough.
