11 Jerk Spik scored a good win in Rättvik this summer and he is really good for this class. Is strong and can do it tough. 1 Jeger could take advantage of this number. Is fast and will get a nice number in front. Early contender. 2 Eva R.G. won directly in the last comeback race after an early attack to the lead. Should be even improved by that run. 10 Frosta has put in several nice efforts and was brave in the last race after a tough journey. Should be followed.

7 A Teaser has scored several convincing wins. The speed is his main weapon. Comes from an E3-win and beat the best fillies. Easier now. 6 Eclipse As has been on the way up and is more strong than fast. Could get a tough journey but is a challenger to the favorite. 9 Micke Sting finished to an easy win in the last race against mediocre opponents but convinced a lot. Can match tougher horses too. 5 Caughtredhanded is nice and has been matched against tough opponents. On the way up.

On the way up. 7 Udine Celeber has also been improved after the break and finished well to a second spot in the last race. 5 Victory Venus likes this driver and both wins this summer were scored after offensive journeys.
