6 Criterion got a nice trip on the inside in the last run but finished well and beat good opponents. Belongs to a stable in fine form and is our pick. 8 Inti Boko has been matched against very tough horses in his comeback and been clearly defeated. Easier opponents now and could show more self confidence. 7 Linus Boy has done well under the saddle for a while now. Sulky race now but good enough to fight for victory. 4 Dozen of Oysters has looked nice lately but been a bit unlucky. Came back well after a mistake in the last run.

3 Crussi Dull has won lately when avoiding a mistake and he is really good for this class when he does not gallop. This starting method is an advantage again. Nice task here and our winner. 11 Månremus was close to cause an upset in the last run after a defensive journey. Needs such a trip but this number is poor now. Good form. 7 Sippson is up and down nowadays. Looked nice two starts back but got locked in. Was brave in the lead in the last run. 5 Ängsbrage failed in his comeback but is up and down and has one run under his belt now. This distance is the right one.

12 Party Crasher is a three-year-old who has met very tough opponents and despite several good efforts he has not been very successful lately. Easier horses now. 15 Funcio had plenty of energy left second up two starts back and was improved. Is nice and on the way up. 2 Tumble One has shown good form this summer and scored the first victory three starts back. Could reach the front. 13 Wilma Vici comes from a good second spot and with the right trip from the back she can finish fast. Contender.

6 Bugatti Hall has earned more than 500,000 SEK this year and shown good skills against tough opponents. Did not earn money in the last run but put in a good effort against very strong horses. Nice task here. 9 Kinky Boots has been on the way up and showed already two starts back that he is on the way up. Won the last run after a very good final lap and is the main challenger. 1 Global Destination was talented as a younger horse but had got a long break before the last run and did not impress. The chances are not easy to predict. 3 Heavenly May does not win very often but is in good shape now.
