12 Rajon scored a nice win in the lead in the debut as a three-year-old. Hé had got a break as well in the last run but won directie and might do so again here. 10 Gino D.E. finished well to victory in April and has now twelve wins which is three times as much as anyone else in this race. Interesting for the New trainer. 6 Didicoy has set new records five starts in a row now and should be considered early. 3 Joe the Juice Sisu won comfortably with his trainer in August and is possible too here.

7 Deviljas Kloker comes from a strong second spot even in he never had a chance against the winner who had found the lead with one lap to go. Has opened fast lately and is our pick. 9 Wilda Eric is not reliable but has good strength and stands this distance. In the mix without a mistake. 4 Vimo Teddy faces nice conditions money-wise and if he trots well and avoids a mistake he could score the fifth win. 2 Styfs Mirakel makes his debut over this distance but could get a nice journey and the horse won a short while ago.

1 Bato Odina won comfortably in the lead in a new record in the last race on Umaker. She likes the short distance and has scored all wins in the front. 6 Kullungen won in the lead four starts back but has galloped lately. She has good speed and without a mistake she should be considered early. 14 Svarte Petter found an early lead in the last run and won easily. Is good enough to be in the mix. 8 Järvsömalla came back well after a mistake in the last run and should not be overlooked.

3 Alexi Quick finished well to third three starts back and did not find room in the last run. She comes from victory in the lead and is our pick. 10 Qeen Roc has shown good form this late summer. She finished well near the winner in the last run and is possible here with some racing luck. 12 Divane Godiva found room late and finished fast three starts back and was second in the lead two starts back. She has to be considered. 4 Ninepoints Lasse has not been very successful this season but is in quite good shape.
