4 Heavenly Zet finished fast in the last run and seems to be in good shape. Our pick. 5 Kaiser Mearas has been at least second in five starts so far. Parked early outside of the leader in the last run and was brave. 3 Freeloader has scored two strong wins in a row after a layoff. 6 Conrads Tegnell started well this spring. Has got a short break now. Should be followed in the warming-up.

7 Helia scored a convincing win the last time she visited Romme. That was the first win so far but she looked really nice. Will go for the lead. Good chance again. 11 Cali Lancelot is strong and quick pace would be an advantage. He will defeat many opponents at the end then. 4 Kvickens Loma had a bad day in the last run. Has shown good skills for this class and she is an outsider now. 5 Belse Tösen has been on the way up lately and comes from a well deserved victory.

1 Little Richard scored a good win in the debut two starts back. Was a bit slow at the end in the last race on Hagmyren but is our pick with this nice number. 12 You to Optimize'em has not been successful so far but we think she is better than she has shown. Early contender despite this number. 10 Bugatti Chiron has not started since November last year. Might need this race but should not be overlooked behind the favorite. 4 Semifreddo S.F. resumes from a spell. Magnus Djuse now and has to be followed here.

11 Krusor won in the lead in the last run and has got a different number now. He is our pick anyway here. 1 **Guldhagens Oscar** has one victory so far and he won in the lead two starts back. If he reaches the front again he should have a good chance. 3 **K.A.Viktor** put in a couple of good efforts in June and July. He has got a short break now but is well drawn behind the gate here. 4 **Uriel R.B.** galloped in the last comeback race. The chances are not easy to predict here but he is fast enough to be in the mix.

8 Red Rum is our pick despite this tricky number. Made a great comeback at the end of June and we think he is the best horse in this field. Needs to find room though. 4 **Arvid Tilly** likes this long distance. Tricky number four here but early choice without a mistake. 5 **La Fille de Niky** did not win as a three-year-old but she is consistent and good. Will soon score a victory but needs some racing luck. 2 **The Flying Eagle** is not bad for this class if he stays calm. An outsider here.

6 Swish Brodda has galloped a lot but is a lot better than the latest results show. She looked nice in the last run after a mistake. Our pick. 7 Takter scored a couple of convincing wins this spring. Has galloped lately but if he avoids a mistake he will fight for victory. 10 Black Muscles parked outside the lead with one lap to go in the last run and was brave. Will defeat many opponents in case of quick pace. 5 Billy the Bronco has been on the way up and will soon score a victory again.
