6 Pretty Devil won eleven races last year and earned 400,000 SEK. Has been successful this season too and comes from a strong victory. Good chance. 8 The Oak L.A. won in the V75 this spring and has been matched against tough opponents this summer. Comes from a good second spot and can do it tough. 2 My Name is Prince has earlier done well in Sweden and comes from a nice second spot behind our favorite. Is well drawn now. 10 Last Dying Breath is a quick starter so this number is a handicap. Needs some racing luck here. Can do better than in the last run.

1 Ramsgate finished to a nice victory two starts back and won easily in the last run. Can open fast and this number is nice. 2 Giro Sting is strong and can do it tough. Comes from victory after a strong final lap. 11 Bollinger Bishop has met tough opponents this summer and is better than the latest results show. Would prefer quick pace. 10 Field's Gimmick dictate the pace in the lead in the last run and won easily. Faces tough conditions money-wise here. New driver. Outsider.

11 M.P.Domino has won half of his 20 starts so far. Has recharged the batteries after the last run and faces nice conditions here. 5 Sjöli Morten is also consistent and good. Has been at least second after ten starts and that is impressive. This distance is a question mark. 12 Trollbackens Otur has good speed and is in fine form. He uses to open fast and this number is an advantage. 3 Lome Hilda won in the lead two starts back and was better than ever. Could reach the front again here.

4 I've Got Pepper has moved to the northern part of Sweden and scored two very nice wins in a row. We think he can do even better and he will be hard to beat again. 12 Federal Reserve put in a tough final lap in the last run and scored a strong second spot. Will need to do it tough again with this poor number. 6 Club Nord Pro is strong and scored a tough victory from outside the leader two starts back. Will get an offensive trip. 8 Kullerkupp has earlier won in Boden but this number is bad. Just an outsider here.

10 Global Daylight has finished to two wins in a row and been improved a lot. Is in great shape and should have a good chance with the right journey from behind. 1 Donna Guerriera is better than the latest results show. Has put in a couple of good efforts lately and will soon score a victory. 11 Like di Serafino has scored a couple of wins lately. Two starts back he took advantage of over-pace. 12 Al's Successor beat easier opponents two starts back but looked very nice and seems in great shape.

3 A Kind of Magic has the right attitude and nine wins in 16 races is not a coincidence. On the way up after a layoff and our winner. 5 Lapland Iceman has also been improved and seems in good form. Comes from a convincing victory. Quick starter. 7 Bunch of Budgies has moved to the northern part of Sweden and is close to victory now. Nice conditions money-wise here and comes from a nice spurt. 8 Homeland Pellini scored a couple of convincing wins this spring and has one run under his belt now after the summer break.
