

RACE 1, V4-1

Auto 2140

1 Kainai Goj has not won yet this year but he will soon score a victory. Showed good form in the last run and has a good chance to win this if he finds room in time. 6 Load Master never found room from behind the leader in the last run and had energy left at the end. Will get an offensive start since he can open fast. 5 Shehuntyoudown resumes from a spell. She is strong and could fight for victory directly here. 9 M.T.Montpelier galloped in the final turn in the last comeback race. Is good enough to win this.

2 Magnificent Star was not at his best in the last run. Won in the lead on August 15th and looked very nice then. Good number and if he reaches the front he should have a good chance. 8 Fashionable Dance scored a comfortable win in the lead two starts back. Poor number now but in the mix with the right journey. 5 Scorpion Tile has got a short break. Can open fast and will challenge for the front. Could lead this for a long while in that case. 12 Adriana Queen is poorly drawn but will defeat many opponents in case of quick pace. Has to be followed.

2 Quint has not raced since May but faces interesting conditions here and has got a nice number over the short distance. Quick starter and could lead this for a long while. 4 Bonnie Wibb has only one victory so far but she has shown fast times for this kind of race. Has to be considered early. 9 Prince Heritier makes his debut for Mattias Djuse. Has better capacity than the results show and should not be overlooked. 8 Emperor Godiva comes with two wins in a row. Tricky number now but is possible here behind the favorites.

6 Fetter Tir galloped directly in the last V75 race. Had shown good form before that and he can open fast. Our pick. 3 Global Billboard would have fought for victory without a mistake on the home stretch in the last run. Nice number and faces quite easy opponents here. 2 Kee Keeper had to open fast in the last run but fought well in the lead. Will soon score the first win of the year. 9 Wings Level has got a number in the second line but could pass many horses here with the right journey from the back.
