10 Helan has scored a couple of splendid wins and in the last run he was totally outstanding. Good driver again and nice chance to score another victory. 5 Baltimore Face has not been at his best lately but he is good for this class. He has not been successful together with his trainer lately. This driver is an advantage. 2 Cold Feet scored a very good victory and the horse can open fast. 7 Oak L.A. is better than the latest results show but he has met tough opponents for a while. Outsider.

7 Von Lloyd was second after a strong final lap in the last run and should be considered very early here with a similar effort. The horse to beat. 8 Fabulous Time is close to his first win and has earlier done well together with this driver. Will soon score a victory. 10 Le Garcon resumed from a spell in the last run and won comfortably in the lead. Should be improved by that race and is a contender. 2 One More L.A. has not raced a lot and the chances are not easy to predict in this comeback. Has good capacity for this class though.

1 Jessica Brodda has shown good skills in her comeback and scored two wins in three races. Comes from an easy win in the lead. Could reach the front again and good chance. 9 Exhibition has been consistent and good without winning. Easier opponents now and can do it tough too. Challenger. 10 Nite Owl is good when he is at his best but has been up and down lately. Should be considered here. 3 Maroon Five raced in the V75 in the last run but easier now and early choice.

13 Bokli Rapp is an elite horse who is used to this type of races chasing horses who have earned less money. He won in the last run and showed great form. Will be hard to beat. 11 Storspjuver is on the way up and uses to finish strongly. Will pass many opponents here. 15 Hallsta Vinnex likes to race in the winter and has been on the way up lately. Possible if the favorite would fail. 14 Forspärla is gifted too and has met tough opponents this summer. Will certainly earn some good money here.

3 Burn Notice has been matched in tough V75-races lately and even if he has not been successful he has put in a couple of quite good efforts. Easier this time. 7 Roller Coaster Ås got a tough journey from outside the leader in the last run and kept up the pace well. Fine form and will certainly get an offensive trip. 4 Muscle Man Boko was a bit slow in the last run but can do better and we remember the nice victory in the debut for the new trainer earlier this autumn. 2 Icebreaker Sisu is new in the northern part of Sweden. Is certainly good enough to be in the mix here.

13 Boke Palema is strong and won two starts back after a strong finish. Is in good form and faces similar opponents today. Our winner. 12 Ninja's Queen has done well for a while now without winning. Tough final lap in the last run but kept up the pace well. 10 Cash T.J. came back very well after an early mistake in the last run and could finish to victory. Is driven by the trainer now but early contender anyway. 1 Sunlight has won half of eight races this year. Has recharged the batteries this summer and faces interesting conditions here.
