11 Jackson Trot qualified in a 1.18-time in June and together with this top driver he should have a good chance directly despite this number. 2 Monasetah got a poor start in the last run and made a short mistake after one lap but came back alright a bit behind the winner. Should be able to set a new record. 1 Ossie Artist has got a nice number since many horses make their debut here and that is an advantage. Could be in the mix if he trots well. 10 G.G. Egri was first in the qualifier on Momarken and has to be followed.
