8 Delon Grif makes his debut in Sweden and resumes from a spell. He scored a very good victory on April 22nd and should normally have a good chance here. **2 Ares** scored a sensational win in the lead in the last run. Perfect number and will go for the front again here. **3 Arvid Tilly** likes this long distance and will defeat many opponents here in case of quick pace. **7 Spader** has got a short break. Is a bit up and down but when he is at his best he is good enough to be in the mix here.

2 Önnes Frode got a tough journey in the last run and showed good form. He has the right attitude and faces interesting conditions here. 9 Jerk Spik has galloped a lot lately but is a good five-year-old who has won ten out of 35 races so far. 10 Lill Hans was interfered underway in the last run but came in third anyway. If he is at his best he will be in the mix again. 3 Gull Blesen did not finish the last race. Outsider if back in good shape again.

3 Conrads Tegnell resumed from a spell in the last run and put in a good effort. Has one run under his belt now and could be ready for victory with this nice number. 10 Vinci Love has not won yet this year but she uses to meet quite tough opponents. Two starts back she got an impossible journey so we forget that performance. 6 Scorpion Tile put in a strong final lap in the last run. Could reach the front here and lead this for a long while. 12 Master of Zon finished fast when he found room in the last run. Could cause an upset with the right journey.
