7 Even's Cool Boy was third on Bergsaker in August and did not find room and had energy left against good opponents. This small field is an advantage. Good chance. 4 **Global Crusader** was second in the lead two starts back and made an early mistake in the last run. If he finds the lead he will be in the mix. 5 **Fortune Mearas** has good speed and if well prepared after a pause he should not be overlooked. 2 **Homeland Pellini** finished to a comfortable win in Boden two starts back and should not be discounted either.

10 Tangen Birk scored a good win in Bollnäs in August. He showed good speed in between mistakes in the last run and is an early contender without a mistake. 8 **Backegutten** scored four victories in a row earlier this season and even if he has not won for a while now he should be followed here. Is good enough to win this. 1 **Sangviks Lynet** has been at least second when avoiding a mistake and even if he only races richer horses here he should be considered. 11 **Langlands Viking** is interesting in this debut for trainer Henrik Svensson. Contender.

5 Kemas Frasse won comfortably in the last race on Dannero and starts for the second time for this trainer here. He faces nice conditions money-wise and is driven by the same driver as in the last run here. 4 Brasco Boko has won every third start. Has one run under his belt after a pause and is a contender. 12 Ever Loving is not reliable but is getting more experienced and good for this class. Possible without a mistake. 6 Celine P. has shown good form lately and will certainly score a victory soon. Outsider.

5 West Wind had not competed for almost three months before the last run and finished well to a second spot from far back. She showed good speed at the end and is our pick. 2 Because the Night was second after a good finish in the last run and just closely defeated. If he avoids a mistake he is a contender here. 11 Alfred Zonett has got a number in the second line but in case of quick pace he is good enough to be in the mix here. 6 Itso Sisu would also prefer quick pace here and in that case he is possible too.
