3 **Black Fire** has shown good form and capacity in all starts this season. In the last run he finished fast to a close defeat, third up behind good horses. Quick starter. 4 **Neo Turbo** is also a quick starter but will find it hard to reach the front here. Scored a splendid win on September 6th. 1 **Kron Vici Star** got defeated by **Neo Turbo** three starts back despite a perfect journey. Comes from a good second spot. Will get a nice trip here. 6 **Captor Delleselve** is the outsider here. Has shown good skills and been matched against tough horses.

2 **Call Me Gleipner** is one out of three Untersteiner trained horses in this race. This nice cold comes with four straight wins and has got a perfect number. Our pick. 3 **Stens Rebell** finished well in the last race on Mantorp. He has been consistent and good and should be on the way up. 1 **Queen of Power** is a fast filly. She should get a nice journey here. Fine form. 11 **Eminent Kronos** is well-bred and has good skills. Prefers to run in the lead though and this number is tricky.

2 A Fair Day put in a fantastic effort in the last run after an early mistake. Has been very consistent and good this season. Will find an early lead here and could be hard to beat. 9 Mercury Boko wins often and has six victories in 16 attempts. Has been at least fifth so far when avoiding a mistake. Is consistent and the main challenger to the favorite. 1 So Much a Lady was third in Stosprintern in July after an inside journey. Can open fast and will get a perfect trip here. 4 Global Delayed finished strongly on the home stretch in the last V75-race. Easy victory before that. Place chance.
