4 Dwayne Zet scored a splendid win from outside the leader but had a tough task in the last Golden Division race. Nice conditions here and our pick. 7 Selmer I.H. has been a bit down but likes this time of the year and is on the way up again. He should be considered early. 6 From the Mine can open fast and beat our top duo in the last race in Boden. This 1640 meter is an advantage. Could find the lead. 3 NoLimitJimMit finished to a convincing victory in the last run. He prefers to compete when it is cold weather.

2 Fiores Arc has not won yet but got locked in two starts back in Umea and finsihed well against good opponents on Bergsaker. Our pick here. 6 Herkules L.A. is really good every now and then and has scored three good wins. Is not reliable but could be dangerous without an error. 11 I am a Queen has been at least third in nine out of 14 starts this year. Is quite experienced for this class. 5 Mill Eragon has put in several nice efforts too. Good number and one out of many contenders here.

8 Källsjöving scored a splendid win against tough opponents on Bergsaker but galloped in the last V75 race. Faces nice conditions money-wise here and is our pick. 7 Ängsthea is very fast behind the gate and could take advantage of this short distance too. Challenger in the lead. 6 Storspjüver has done well for a while now but been a bit unlucky too. Got locked in with some energy left in the last run. Would prefer quick pace. 9 Tekno Viking is very good for this class but has failed so far this season. Comeback now.

7 Tåga Elden is inexperienced but has scored two good wins. Is fast and good enough to set a new record here. 1 Komedin has been improved this autumn after a layoff. Nice number and could hard to reach in the front. 3 Opal Kiro has been consistent and good. Has one run under his belt after a pause and on the way up again. Interesting task here. 14 Norrlands Blomma has done well this summer and become more reliable. Dangerous despite this number.

3 Arpi Broline has scored two splendid wins after a small injury. Has three wins for the new trainer and is very good for this class. Good chance. 12 Airborne is the only challenger. Had a very good reputation a couple of seasons ago. Back as a winner in the last run and convinced against easier opponents. Really good for this class. 7 Sandsjöns Avicii uses to meet tough opponents and is better than the latest results show. 1 Energy Kronos comes from a sensational victory and was improved. Could get a perfect trip here.

6 Mellby Interest has been on the way up this season and scored a very tough victory in Umea. Was second in the last Swedish Championships for female drivers. 7 The Oak L.A. has won in the V75 this year. The form is a question mark now but the horse faces good conditions money-wise. Is gifted. 3 M.T.Rick Nash has done well lately in the southern part of Sweden. Will be interesting to see for the new trainer here. 12 Bourne Dominion is trotting better now and has shown his good skills. Tricky number though.
