7 Kong C.K. wins often. Won despite an impossible journey in the last run and has earlier won with this driver (trainer). Top chance. 2 Tallmons Wiking put in a strong effort to score a comfortable win in the last run, despite a tough final lap. Early choice with this nice number. 8 Kajsas Ture has not won for a while but is gifted and faces nice conditions money-wise. Good place chance. 4 Lysjö Isa has shown good form lately. Scored a nice second spot on September 15th and a strong victory in the race after. Should be considered quite early.

3 Nydalens Finity had to open fast in the last run and gave up. Won in the lead before that and is our pick here. 11 Diva Ravina can match quite tough horses. She was second on Momarken two starts back and is an early choice here. 10 Endwithastar can open fast and would have preferred a number in the first line. Is good from behind too though and showed fine form to finish second in the last run. 6 Elle Vild has got a short break before this race. Does not always convince but can finish strongly.
