RACE 1, V4-1

9 Magnificent Star failed in the lead two starts back but has otherwise done well for a while. The three-year-old should have a good chance here. 2 London Boko galloped in the first turn in the last run. Resumes from a short break now and this number is nice. Early choice. 4 Clarisse Leejs has been a non-starter after the victory on Lindesberg. Should be followed anyway here. 3 Hydra has not won yet but could get a nice journey here. In the mix.

8 Pandroklus Eck wins often. Looked nice when he scored an easy victory in a lunch race last week. Good chance here with a similar performance. 1 Beethoven Gar has won twelve out of 23 starts but comes from a mediocre effort. Is good for this class. Early choice. 11 Caradja had not raced for a couple of months but won directly in the last run. Is nice and will defeat many opponents with the right journey. 7 M.T.Ravishing was second in the last run and improved. Could score the first win of the year here.

RACE 3, V4-3

3 Global Dependable was a bit unlucky in the last run and got locked in at the end with energy left. Showed good form and deserves a victory soon. 12 Speed Matters has not competed very often this year. Won four out of six races last season as a four-year-old. Is gifted and will defeat many opponents here. 5 Superior Bro has not won yet but the four-year-old makes his debut for a new trainer and should be followed here. 6 Gunvald Tartar is better than the latest results show. Is driven by Magnus A Djuse this time.

9 Feel the Benefit has started twice after a short break and the form is on the way up. Needs some racing luck with this number but has a good chance then. 7 Final Whistle was not at his best in a couple of V75-races this summer. Has got a short break and normally he should be considered early in this company. 6 Ploquepin has competed a lot under the saddle lately. Is a good sulky horse too and interesting together with Magnus Djuse now. 2 Master of Zon did not convince in the last run. Is better drawn this time. Outsider.
