2 Sign Me Up Yankee comes from an easy win in the lead. Good chance to reach the front again here and will not be easy to beat then. 9 Barry Wadd comes from a comfortable victory and was improved. Faces a double handicap here but this small field is an advantage. 4 Queen galloped in the first turn in the last run but came back well. Early contender behind the favorite. 10 Capital Gain C.C. can do better than shown in the last starts. Outsider here.

4 Nemesia Boko is our pick in this tricky race for three-year-old fillies. She never got a chance from behind the leader in the last run and had energy left. 5 For Real has met quite tough horses this year and become tougher. She faces nice conditions money-wise here and has to be considered early. 9 Wizla Celeber scored her only win so far in the lead. She should be followed anyway here despite this back row draw. 2 Kismet K. comes from a good second spot from outside the leader. Will soon win again.

14 Fantomet has shown good form in Norway lately. Took over the lead in the first turn in the last run and scored a good win. Our pick. 11 Pyrotek parked outside of the leader with one lap to go in the last run and won comfortably. Is in good form and an early choice again. 12 Crussi Dull is good for this class when he is at his best. Has been a non-starter after the last run and the form is a question mark. 7 Lundåsens Teknik got a tough final lap in the last run and was brave. Best chance of those in the first circle.
