9 Orkan von Haithabu has a nice task here. Faces perfect conditions money-wise and uses to meet much tougher opponents. This small field is an advantage too. 2 Beachcomber is quite consistent and good but does not win that often. Finished well in the last run and is in good form. 3 Fönix Vang scored a good victory in the lead two starts back and prefers to run in the front. 1 Voyager West needs a nice defensive trip and should get a good journey with this number. Place chance.

3 Global Delicious resumes from a short pause but has good gate speed and will get a nice position here. Is good enough to win this. 1 Money Honey M.I. opened fast with this number one in the last run. Did not finish well but can do better. 8 Global Eclipse has been in the mix in all three starts and will fight for victory again here if she handles this number. 6 Ivan Mauger got an impossible journey in the last run. Possible here with a better trip.

7 Oris came back very well after a mistake in Aalborg two starts back. Is all-round but is not always reliable behind the gate. Good chance without a mistake. 2 Kinematic has been matched against tough opponents and still has not won. Should reach a nice position with this number and has to be considered. 5 Diamante Sotto is Sven Dyhrberg's pick out of two horses in this race. Is consistent and good but is still waiting for the first win. 3 Chandy R.D. has finally got a nice number again. Tight starts and interesting here.

2 Qillerbee has put in two very nice efforts and been improved a lot without shoes. Comes from the best performance ever. Our pick. 10 Springdayfree has got an interesting number here and could reach a nice position directly. Has two wins in a row. 1 Indro Jabado has got a very nice number and is possible with the right defensive trip from behind just like when he won in Vaggeryd on August 20th. 6 Apollo Prophet Cal is good for this class but does not always show that. Could cause an upset here.

3 Slave to Love Cal finished alright in the last run and tighter starts again now. Is still waiting for the first win of this season but these circumstances are the right one. 1 Felix S.H. comes from a good third spot behind two strong horses and faces easier opponents here. Contender. 2 Run Run Lilleman will go for the lead when he prefers to run. Will certainly get an offensive start here. 7 Stepping du Chene is up and down but can open fast and interesting here if he could get a nice inside journey here.

10 Safira Diablo put in a great effort in her Oaks heat and showed her skills there. If she avoids a mistake she should be outstanding here. 1 Chic Bi finished well in the last run and was improved again. Nice number and will certainly get a good journey. 8 Easter Princess scored a strong victory from outside the leader two starts back and did well against tougher opponents in the last run. Is in good shape. 2 Lilo Love is still waiting for the first victory of the year but is good enough to be in the mix in this company. Perfect number.
