Volt 2140

11 Stjärnblomster uses to beat fillies and mares in Sweden and comes from a comfortable victory in the Swedish Championships for fillies and mares. She is used to chase easier opponents. Top chance. **5 Åkmans Bella** faces nice conditions here and was fourth in the last Swedish Championships for fillies and mares. Can match tough horses and is possible if the favorite would fail. **9 Ängsthea** got caught and was second in the lead in the last run. She has looked nice this autumn and faces nice conditions money-wise. **10 Vännfors Stjärna** is really good every now and then but up and down as well. Likes to be driven by Ove A Lindqvist.

Hard to beat without a mistake. **11 Björlifanner** is tough and faces nice conditions money-wise here. He is all-round and should be considered early. **9 Storspjuver** looked splendid when he won from outside the leader in the last run. Is better than ever. **15 Tekno Jerven** has very good capacity and will be interesting to see in this comeback.
