RACE 1, V4-1

Volt 2140

6 Bicc's Tobee has scored two convincing wins in a row lately. Won easily despite a tough journey two starts back. Top chance. **9 Knut Rapid** is well-bred and has good capacity. Challenged for victory in the last run to finish second. Early contender. **2 Keyword** scored a nice victory and was second two starts back. Should be considered quite early in this comeback. **8 Sultan of Sand** has shown good skills and will be driven by Kevin Oscarsson this time. Could be in the mix.

9 Aniara Sock faces nice conditions money-wise. Is not reliable but has very good speed for this class. Our pick. **10 Golden Cresent** has started strongly for the new trainer with two straight wins. Scored a good win despite a tough journey in the last run. Goop again. **7 Outlander** is strong and won comfortably after an offensive journey on September 16th. Could be in the mix this time. **6 Joanna Sisu** is good for this class and has two wins in 13 attempts. Has one run under her belt for a new trainer and after a break.

8 **Brady D.E.** has won 16 out of 40 starts and is very good for this class. Faces nice conditions money-wise and should have a good chance in this comeback. 4 **Bull Lock** can open fast and has scored two convincing wins in a row lately. Likes to run in the lead and is possible again despite this longer distance. 5 **Hipster K.** has good gate speed and has won in the V75 this season. The form is a question mark after a pause. Should be considered quite early. 6 **Suarez** is good for this class but was a bit too fiery in the lead in the last run after a layoff.

3 **Lincoln Abe Boko** failed in the last V75-race and scored two wins in a row before that after a similar journey (the lead after 600 meter). 9 **Starbec's A.to Z.** faces nice conditions money-wise and we know that he can finish strongly. Spurted well to second in the last run. 2 **Georgia Am** galloped directly in the last start. Is normally reliable and can open fast. Early choice even if she would have preferred the short distance. 10 **Bold Knick** would have preferred a longer distance here. He owns good strength.
